NAME:_____ **CLASS#:**_____

2018 Wilkinson Wood Car Derby Sponsorship Form

On Friday, February 23, 2018 the Wilkinson School Community Council will be hosting its 4th annual Wilkinson Wood Car Derby. The derby is a fun fundraising event where students, with the help of their parents, can design and build derby cars from wood car kits and race them against their peers.

Each participant in the derby is being asked to raise money for the school to help fund programs like School Yard Revitalization • Musical and Theatrical Performances • Visiting Authors • Scientists in the Schools and events like this one.

Special prizes have been set aside for the top 3 fundraisers and the student that raises the most funds for his or her car will win **four tickets to the Toronto Raptors game**!
