BEHIND THE SCREEN

for Parents
and Caregivers

A presentation from Steve Chapelle

Content Audience Controls

An in-depth examination of these crucial elements of social media and how to minimize related risks to children and the family.

Content topics include types, ownership, lifespan and minimum ages. Next, a discussion of inherent and potential Audiences, concluding with available Controls - mental and technical.

An action worksheet summarizing the key takeaways for attendees will be included. The presentation is 60 minutes in length plus time for questions. Childcare and light refreshments will be available.

Tuesday, October 24, 6:30 pm - Wilkinson Jr PS gym
