WIL-KITCHEN

Join us on **Thursday, June 1** from **6-8 pm** in the large lunchroom in the school's basement for a community cooking night to prepare the side dishes that will be sold at Fun Fair. Children are welcome. It's a great way to help the school, meet other families, and learn new recipes!

GIFT CARDS

We use gift cards to purchase supplies from places like grocery stores, Costco, Dollarama, Staples, and Canadian Tire. Donate cards by bringing them to the school office any day in an envelope marked "Fun Fair Donation".

CHEAP BOOKS AND GAMES

Refresh your home library! Donate new or used books, puzzles and games **in good condition** and then shop the tables at Fun Fair to find new favourites! **Please ensure donated items are not missing any pages or pieces.**

VOLUNTEERS

Have an hour? Have 3? Have time before the event but not on the day of? We have a job for you! And we're truly grateful for your help. Please **sign up** on our website (see page 3) or using the link in our emails. Parents, school staff, community members, and high school students are welcome and appreciated!

BAKE SALE

Love to bake? Prefer to buy? We need all sorts of **nut free** baked goods to fill our tables! Please bring your items to the basement lunch room **on the day of Fun Fair** by 10:45 am. Note that we cannot accept items that "may contain traces of nuts" and will provide some halal baking tips closer to the event.

A fun-filled day for the whole family!
