How do I pay for things at the Fun Fair?

Food Tickets: Purchase food tickets and then exchange them for food and beverages at the International Food Tent. You can buy food tickets using cash at the Fun Fair or through SchoolCash Online before the event. If you purchase tickets online, you will pick them up at the Fun Fair (look for the online order pick-up table).

Game Cards: Game Card circles are used to pay for carnival games & giant games (e.g. chess), bouncy castles and inflatable slides, guess how many, face painting, popcorn, Freezies, lemonade from our roving cart, and the dunk tank! Most games and activities cost 2-6 circles., and each circle is worth \$0.50. You can buy Game Cards using cash at the Fun Fair or through SchoolCash Online before the event. If you purchase Game Cards online, you will pick them up at the Fun Fair (look for the online order pick-up table).

Cash: Cash is used for the bake sale, cheap book and game tables, Dream Basket raffle, silicone bag sales, and cotton candy. Cash is also used to buy food tickets and Game Cards.

Free: There is no charge for the story time area, craft tables, and local business demos.

How do Game Cards work?

Purchase a Game Card worth either \$5, \$10, \$15 or \$20. The activities that accept Game Cards as payment are listed above. To participate in an activity, give your Game Card to the volunteer and they will cross off circles on your card as payment. For example, if you participate in an activity that costs 4 the volunteer will cross 4 circles off your card. When all your circles are crossed off, your card is empty. Don't worry - you can buy another one if needed. Please note, we do not give refunds for unused tickets or Game Card circles.

Tip: Buy a Game Card for each member of your family – you decide how much to spend on each!

Can I use the Game Card to buy food?

Game Cards are used to purchase Freezies, lemonade, and popcorn.

Separate food tickets are used for the International Food Tent. These can be purchased at the same time and location as Game Cards (check the map!).

Bake Sale and cotton candy purchases are cash only.
